Riley Morgan

Project Coordination and Operations

Madison, WI | 608-555-0142 | riley.morgan@example.com

Portfolio: example.com/riley-morgan

Fictional demo: all people, organizations, credentials, and results are invented.

Summary

Project coordinator with experience connecting delivery teams, improving office workflows, and turning service data into practical decisions. Background in regional logistics and customer operations, with hands-on reporting and staff training.

Skills

Project scheduling | Process documentation | Excel | Service reporting | Staff training

Relevant experience

Program Delivery and Operations

Project Coordinator | 03/2022 to 08/2025

Organization: regional logistics provider (name omitted)

- Coordinated weekly handoffs across four delivery teams; overdue handoffs fell 18% over two quarters.
- Rebuilt an office workflow for intake requests, cutting average routing time from three days to one.
- Wrote a 12-page onboarding guide and trained 16 staff members on scheduling and escalation procedures.

Service Analysis and Customer Support

Operations Associate | 06/2019 to 02/2022

Organization: customer support organization (name omitted)

- Built an Excel report covering 1,200 monthly requests, helping supervisors identify recurring service delays.
- Resolved customer escalations and maintained follow-up records for a six-person service team.

Education and certification

B.S., Business Operations

Example Lakeside College | 05/2019

Certified Service Coordinator, Example Training Council | 09/2023

Community experience

Example Neighborhood Pantry: scheduled eight volunteers for monthly distribution events, 2023 to 2025. Supported the annual Café Community fundraiser.
